## **Ministry Description: Celebrative Arts Pastor**

### **History**

Life Change Church – Muskegon (LCC) is a non-denominational Bible-believing and Spirit-led church that believes in the power of Jesus' name and in the worship of an incredible God. Since our founding in 1999, LCC has worked tirelessly to reach the greater Muskegon, Michigan community with the truth, to see lives changed, and to develop people to be more fully devoted followers of Jesus Christ. As we look to the future we sense God is giving us greater clarity and a greater vision on how to accomplish all that God has for us.

### **Vision:**

Life Change Church, where lives are changed, to change lives.

### **Mission:**

We believe we can accomplish our vision best when our church culture encourages and teaches our LCC community to love others, grow in their faith, reach our world, serve using our gifts/talents, worship our great God, and humbly lead.

### **Overview:**

The Celebrative Arts Pastor gives direct oversight to the Worship Arts of LCC and the First Touch Ministries. This would include working in concert with our pastors to develop inspiring worship experiences for our weekend celebrations. Other responsibilities would include working with our production team, videography, special events, and developing others to be servant leaders in other aspects of the LCC ministries. Another aspect of oversight will be the First Touch Ministries, which includes, parking lot, lobby, and sanctuary greeter, as well as providing leadership to our Cafe' team. This person is someone with a deep love for Jesus Christ, His people and His church. They should have a passion for leading the church into His presence and an unyielding drive to raise up and equip leaders to do the work of the ministry. This person must be able to thrive in a team environment and create their own teams within each ministry, understanding the principles of team work and equipping the saints. Finally, this person should have a strong commitment to knowing God through His Word and to helping people in their understanding of God.
