

PASTOR OF CHILDREN AND FAMILY MINISTRIES

Life Change Church – Muskegon (LCC) is a non-denominational Bible-believing and Spirit-led church that believes in the power of Jesus' name and in the worship of an incredible God. Since our founding in 1999, LCC has worked tirelessly to reach the greater Muskegon, Michigan community with the truth, to see lives changed, and to develop people to be more fully devoted followers of Jesus Christ. The Lord has blessed this work and has big plans for our future impact on children and families in this community.

At this time, the Elders and Senior Pastor of LCC are recruiting a Pastor of Children and Family Ministries that will develop and oversee ministries to the children of our congregation and their families. Through this new Pastor's efforts, we desire to see children from birth through 5th grade grow in their relationship with God, to love Jesus more deeply, and to be prepared to actively reach their peers in the community for Christ as they age. We also desire to see the families of these children be better equipped to teach, guide, challenge, and equip their children in Christian homes.

The ideal candidate for this position will have a passion for the development of children and for the spiritual health of their families. He/she will create a fun, meaningful, energetic atmosphere for children to grow in their love for Jesus, and to discover their identity in Christ. He/she will recognize the importance of parental involvement in the children's ministry and will communicate such in order to enlist the support necessary to make this ministry successful. He/she will be in alignment with the vision of LCC as directed by the Senior Pastor and Elders, as well as the LCC stated purposes to Grow, Love, Reach, Serve, and Worship. He/she will have multiple servants to oversee and will also have responsibilities to support other ministries of the church as we work together. The ability to recruit, direct, multiply, and grow servants effectively will be critical to this position. We seek an ordained candidate with 5 or more years of ministry leadership experience but will discuss available opportunities with others.
